Welcome (a)board!

**Strengthening
the network**

New mission

**In the future, gE aims at making
mobility and Erasmus+**

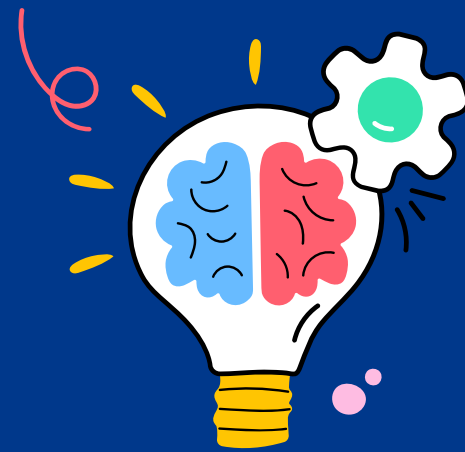

more known, accessible & inclusive

**so that more and more young people can
improve their own communities through the
skills they obtained in their experience.**

**Strengthening
the network**

Why?

Why mobility?

**Acquiring new
marketable skills**

**Strengthening
European Citizenship**

**Bigger and stronger
Erasmus Generation**

**Strengthening
the network**

How?

How to achieve our goal?
